## **2017 REALTORS® Hope for Homeless KICKOFF EVENT!!!!**

Don't miss this opportunity to talk with Bowling Green Mayor Bruce Wilkerson and Warren County Judge Executive Mike Buchanon

The reading of a proclamation declaring April 25-29 as REALTORS® Hope for Homeless week

### **WHAT IS REALTORS® HOPE FOR HOMELESS?**

REALTORS® Hope for Homeless was established in 2012 by the REALTOR® Association of Southern Kentucky with the purpose of helping poverty stricken and homeless children, individuals, and families in our community by collecting non-perishable foods, toiletries and money.

### **WHO BENEFITS FROM THIS EVENT?**

Local and surrounding county's Family Resource Centers are recipients of food/toiletries for their much needed program. Schools with certain needs have centers which are able to provide food, clothing and other necessities to children. Students are able to take many of these items home in a "backpack" program. During the summer, food/hygiene items are distributed directly by one of the Family Resource Coordinators by visiting the homes of these children.

HOTEL, INC. is our other recipient. HOTEL, INC breaks the cycle of poverty and homelessness to build self-sufficient households. Staff and volunteers develop innovative programs to meet the physical, emotional, and spiritual needs of clients, so that they might break free from cycles of poverty and homelessness.

In a matter of months, the organizations depleted over 400,000 servings that we distributed to them in 2016 from the event.

### **WHAT IS OUR GOAL FOR THE 2017 REALTORS® HOPE FOR HOMELESS?**
